- ♦ Bachelor of Science: Supply Chain Management

Professional Background

As a senior member of the office & retail groups, Brant represents several landlords and investors in Hawaii helping them through the purchase, sell, and lease processes. By working with them to properly position and market their real estate, he helps attract well-qualified, long-term tenants with an aim of increasing value for his clients. He also exclusively represents a number of local and national tenants throughout the State of Hawaii. Currently, he is responsible for the sales and leasing of over 500,000sf of retail and office space throughout Honolulu.
