Professional Background

Kristen joined the Newmark Grubb CBI, Inc. team in 2008 as a receptionist. She later became a Property Manager's Assistant while maintaining her receptionist duties. In 2012, Kristen got her Real Estate License and is now a Residential Property Manager.

As a property Manager, Kristen addresses and solves the many issues that come with the day to day management of apartment buildings, condos and single family homes.

Kristen has a network of trusted vendors that she uses to do repairs and maintenance of all the properties she looks over.

Prior to joining the Newmark Grubb CBI, Inc., Kristen has worked as a Server/Bartender for over 10 years. Kristen has carried over with her the "customer service" background to ensure owners, tenants and vendors are taken care of and dealt with in a timely and professional manner.

Spending time with family, shopping, BBQ's and going to the beach are the things she enjoys the most on her spare time.
